Forwards a report - and recommends for grant of extension

4) A report was called for from the Commissioner CCS on an anonymous petition. He has reported that Sri N Ramiah, Director Correspondence Inspector reached his age of superannuation on 24-9-1952. His service has been extended by the Corporation years by two years. No third extension has also been given for 24-9-1954 for a period of one year. The total period of extension amounts to three years

24 9-52 - 24 9 53
24 9-53 - 24-9-54
24-9-54 - 24 9-55

5) Under Article 294(c) of MSR, the Commissioner is competent to grant extension of service up to six months. In the case of Sri Ramiah, the limit has been exceeded. It is irregular till the report on the anonymous petition is called for. The Commissioner has not at all made reference to Govt for obtaining sanction of Govt. It means that the action is ~~deliberately~~ deliberate. It is also strange how the duty of the official was omitted in audit

1) The letter dated 12.2.55 of the Comm Corporation of the City of Bgl explains the position of the case in question

The Corporation Comm states that Sri Ramiah's extended appointment is made under Section 89(1)(a) of the Corporation Act and that this appointment is not subject to the approval of the Govt On this authority the Corporation supports that their action is not irregular and they have done in accordance with the provision of the Act He also states that the appointing authority has power to extend the service subject to the rules in force. He states Article 354(c) Note 1 of F.S.R and states that in accordance with the above Article, the cases of persons not directly recruited by the Heads of Departments or for whom the pensionary contributions are paid are not intended to be governed either by Govt or by the Heads of Departments He therefore says that the extension granted by the Corporation is in order

2) He has further stated that the stay of the Stay is held up on account of want of sanction of Govt and has

Service has been extended for one year at a time upto 24-9-55, in pursuance of the resolutions passed by the corporation from time to time. The steps taken in having extended the service without the approval of govt is that the extension of service by the corporation is not subject to the approval of govt, as his appointment must be deemed to have been made under section 89 (1) (a) of the corporation Act, according to which the corporation can make appointments to any office, of the monthly salary of which does not exceed Rs250. The scale of the post Sri M Ramaiah held is Rs 100-10-150

32) The question as to when the P S C rules are applicable to the services of the corporation or not is discussed in the case of the extension of service of Sri Nagemenathan. The Advocate general is of the view that unless the state Legislature has provided for the exercise of additional functions by the P S C in respect of local authority, the provisions pertaining to the P S C can apply only to persons in the service of the state govt. This question is discussed in file pertaining to Sri Nagemenathan case & no final decision was taken - but orders were finally passed approving the proposal of the corporation to extend his service.
